

Welcome SPRING!

# TX NAWGJ

May 2019

Hello Everyone,

As my term as SJD is coming to an end, I would like to thank everyone for your support and help during the last 8 years. The dedicated members of my board have worked very hard to keep the judging community active, informed and benefitting the gymnastics community. These people have dedicated countless hours to make Texas gymnastics the best it can be. My life has been blessed to work with these dedicated caring individuals.

I would like to thank all the meet directors that have made Judge's Cup, Texas Challenge and the Extravaganza such a huge success. They have made each meet special with fun themes for the athletes and judges. Each meet has been made special and unique in some way. I am so proud of the Athletes and Coaches and Judges that have represented us at the National Judges Cup. They have truly made Texas proud. Our Extravaganza meet has been a huge success and provided us with the means to give Texas judges clinics, aide to volunteers, and financial discounts to Symposium, Regional and National Congress. I am so grateful for the wonderful gyms

that have been opened to us and the parents who have helped NAWGJ with their events.

I would like to thank all the TA's that have helped to get us all certified. Along with all the people that have helped with the giving of the tests. Their dedication helps keep us afloat.

Thank you to everyone that has helped with the clinics that have kept Texas up to date. From GAT to our local clinics, we have done our best to keep coaches and judges up to date with the latest information available. Thank you to the clinicians who took time to put together great lectures.

Thank you to the Gyms for allowing us to use their facilities. Thank you to the membership for showing up. A special thank you to Cheryl Cupples and the GAT organization for providing exemplary education every year. Their support of all gymnastics organizations has made Texas the great state for gymnastics that it is. We are so grateful to have such a wonderful place for our luncheon to make the trip valuable for those that are able to attend.

I would also like to thank all the Meet Directors that helped to take care of our volunteers with food and parking. A special thank you to Jerit Pogue, for

I would also like to thank all the Meet Directors that helped to take care of our volunteers with food and parking. A special thank you to Jerit Pogue, for going the extra mile and also helping with housing and reception for the volunteers. Many of these meets would not be as successful without our judges dedicating their time to volunteer.

I am also grateful for all the organizations that keep us employed as judges. Thank you to USAG, Texas High School Association, Taaf, Sokal NCAA and College Club. We are both proud and lucky to get to serve you.

Most of all I would like to thank our membership for all the volunteer hours spent at Judges Cups, State, Regional, and National meets, along with Special Olympics and clinic helpers. Without everyone's help we would not have been able to provide all the services that Texas Gymnastics provides for its membership. Our members have sacrificed their personal time and many hours for the love of the sport of gymnastics. The list could go on and on but it takes a strong community to keep gymnastics strong in Texas.

Lastly, I would like to thank Bonnie Crawford for stepping up to the plate to take my place as SJD. I believe her strong computer skills can help to launch our organization to the next level. Please communicate with her about any concerns or ideas you may have. She has a big heart and a listening ear. I know our judges will be in good hands.

Thank you all for this rewarding experience.

*Humblly & Gratefully,*
