

## College Club Rules

We have agreed to follow FIG JO skill values and level 9 requirements

- It does not matter where the bonus comes from - a gymnast could get all .3 from D/E difficulty or all .3 from connections. Start value is 9.7 so .3 is the most a gymnast can get in bonus.
- For Bars-D's do no need turn or flight for connection bonus

| Bars   |    | Beam   |    | Floor  |    |
